Address: Sr No.134/7 Mithila Chawl, Near Jayram Apartment Pazar Talaw Road, Wakipada, Naigoan East (401208)

CAREER OBJECTIVES

I would like to be a part of an organization where I could use and enhance my knowledge and talent for the development of both the organization and myself.

EDUCATION DETAILS

- Master of Science in Information Technology (M.Sc. IT), Mumbai University, 2026.
- Bachelor of Science in Information Technology (B.Sc. IT), Mumbai University, 2020.
- Higher Secondary Certificate (HSC), Maharashtra State Board, 2017.
- Secondary School Certificate (SSC), CBSE Board, 2015.

TECHNICAL SKILLS

- **Languages & Frameworks:** C#, ASP.NET, ASP.NET MVC, ADO.NET, .NET Framework.
- **Frontend Technologies:** HTML5, CSS3, JavaScript, jQuery, Bootstrap
- **Database:** SQL Server 2019, SQLite
- **API & Integration:** RESTful APIs, Web APIs, Firebase Cloud Messaging (FCM)
- **Third-Party Integrations:** Payment Gateway, SMS Gateway, Email Services, Biometric Devices, RFID Systems
- **Tools & Platforms:** Visual Studio, IIS, Git, SQL Server Management Studio
- **Other Skills:** Requirement Analysis, Database Optimization, Debugging, Deployment, Client Support.

WORK EXPERIENCE

Company Name : Robonic Infotech
Job Profile : Software Developer
Period : 4.1 Years(current)

ERP Project

E-Campus Management Application.

Clients : RSET Campus, GPM College, Shree Sanatan Dharam School, Arunodaya University.
Technology : C#, ASP.NET, SQL Server 2019, HTML, CSS, JavaScript, jQuery, Web APIs.
Role : Design, Development, Integration & Support.

Responsibilities:

- Designed and developed ERP modules for Schools, Colleges, Universities, and Coaching Institutes.
- Developed modules for Student Management, Attendance, Fees, Examination, Result Processing, Timetable, Admission, and Staff Management.
- Integrated RFID and Biometric Devices for automated attendance management.
- Developed and integrated QR Code and Barcode functionalities using APIs.
- Created secure and scalable RESTful Web APIs for mobile and third-party integrations.
- Integrated SMS, Email, and Push Notification services for communication systems.
- Integrated Payment Gateways including ATOM and Paytm for online fee collection.
- Optimized SQL Server database performance using Stored Procedures, Functions, Views, and Query Optimization techniques.
- Managed application deployment, debugging, and real-time issue resolution.

Mobile Project

E-Mobile Management Application.

Clients : RSET Campus, GPM College, Shree Sanatan Dharam School, Arunodaya University.

Technology : C#, .NET (MVC), SQL Server 2019, HTML, CSS, JavaScript, jQuery.

Role : Development, Integration & APIs Management.

Responsibilities:

- Developed and maintained APIs for Android Mobile Applications used by educational institutions.
- Implemented Firebase Cloud Messaging (FCM) for real-time push notifications and alert systems.
- Integrated Email and SMS services such as Dove and SMSCountry for automated communication.
- Developed live location tracking functionality using GPRS and polygon-based range marking.
- Integrated QR Code and Barcode scanning modules in mobile applications.
- Worked on real-time synchronization between mobile applications and centralized ERP systems.
- Resolved live production issues and provided technical support for mobile applications.
- Developed and maintained APIs for Android Mobile Applications used by educational institutions.
- Managed backend database operations and optimized API performance.

Centralized Notification Project

Centralized Notification Management.

Clients : All Institutes.

Technology : .NET, ASP.NET, SQL Server 2019, CSS, JavaScript, jQuery, Bootstrap, Web APIs.

Role : Project Owner | Development & Integration.

Responsibilities: -

- Developed a centralized notification platform for Schools, Colleges, Universities, and Coaching Institutes.
- Implemented real-time notification systems for Attendance Alerts, Exam Notifications, Fee Reminders, Circulars, and Emergency Announcements.
- Integrated Firebase Cloud Messaging (FCM) for instant mobile push notifications.
- Developed API-based communication systems for Web and Mobile platforms.
- Integrated SMS and Email communication modules for bulk and automated notifications.
- Designed notification scheduling and delivery management systems.
- Managed notification logs and centralized communication records using SQL Server.
- Ensured secure and reliable communication between ERP, Mobile Apps, and Notification Services.
- Provided troubleshooting and support for live notification delivery systems.

Biometric Project

Biometric Attendance Management System

Clients: All Institutes

Technology: ASP.NET, C#, SQL Server 2019, HTML, CSS, JavaScript, jQuery, REST APIs, Biometric Device Integration

Role: Development, Integration & Support

Responsibilities:

- Developed and implemented a Biometric Attendance Management System for educational institutions.
- Integrated biometric devices for automated attendance tracking of students and staff.
- Developed APIs for real-time synchronization between biometric devices and ERP systems.
- Designed attendance monitoring, reporting, and analytics modules.
- Managed biometric attendance data securely using SQL Server databases.
- Handled device integration, troubleshooting, and live support for biometric systems.
- Reduced manual attendance processing through automation and centralized monitoring.
- Ensured accurate attendance records and secure device communication.

OTHER CERTIFICATE

- Achieved Third Place in Prahladrai Dalmia Lions College Competitions.
- Successfully completed A.S.H.A. Selection Testing and Performance-Based Training at IMS Center.
- Earned Certification in C# Fundamentals for Absolute Beginners from Microsoft Virtual Academy (MVA).

KEY RESPONSIBILITIES HANDLED

- Requirement Analysis and Functional Specification Understanding.
- Full Project Lifecycle Development and Deployment.
- API Development and Third-Party System Integration.
- Database Design, Query Optimization, and Maintenance.
- Client Communication and Technical Support.
- Real-Time Production Issue Resolution.
- Team Coordination and Module Management.
- Application Performance Optimization and Maintenance..

PERSONAL PROFILE

- **Name** : Arvind Rambadan Kushwaha.
- **Gender** : Male
- **Date of Birth** : 07th, Jun 2000.
- **Marital Status** : Married.
- **Nationality** : Indian.
- **Languages Known** : English, Marathi and Hindi.
- **Address** : Sr No.134/7 Mithila Chawl, Near Jayram Apartment Pazar Talaw Road, Wakipada, Naigoan East (401208)

DECLARATION

I hereby declare that the above written information is true to the best of my knowledge and brief.

Place: Mumbai

Date:

(Arvind R. Kushwaha)
